- SCHOLARSHIP REQUEST (Optional) -

CineStudio is committed to making studies in Paris more accessible to European and international students from a variety of cultural and economic backgrounds. CineStudio offers scholarships that enable some students to pay reduced tuition fees, based on merit and their level of financial need. Scholarships are for students who cannot afford to pay full tuition fees, even with the help of family or relatives. Scholarships are offered as discounts on tuition fees but are never full scholarships. Students must cover a significant part of tuition fees, on their own or with the assistance of family and relatives. Scholarships do not cover travel expenses or the cost of living in Paris (housing, food, transportation). If you are unable to afford at least 50 to 80 % of tuition fees for a course, you may need to consider attending a shorter course.

Applicants are also encouraged to research other scholarship opportunities provided by foundations, non-profit organizations, and government institutions, that may apply to them based on specific criteria, such as academic merit, nationality, gender, or artistic ability. Scholarship applicants may have to wait longer than regular applicants before being informed about the status of their application, due to the extra time needed for evaluating scholarship requests. Scholarship applications may involve the requesting of additional financial documents from applicants and their parents or relatives.

DO YOU WISH TO REQUEST A SCHOLARSHIP FROM CINESTUDIO ?
